My Mom & My Grama

Family:

My Mom:

- Had me very young
- Survived a horrible marriage
- Had the strength to go on and get her Registered Nurse certification from UCC
- She taught me that I was smart and I could do anything that I wanted to do
- Taught me with patience and love

My Grama:

- Was a teacher
 - Started as a small classroom with multiple grades
 - Retired as a Librarian for South Broadview Elementary and Hillcrest Elementary
 - Marking
- Inspired me to want to make school a good place to be

Mr. Wagner

Grade 7

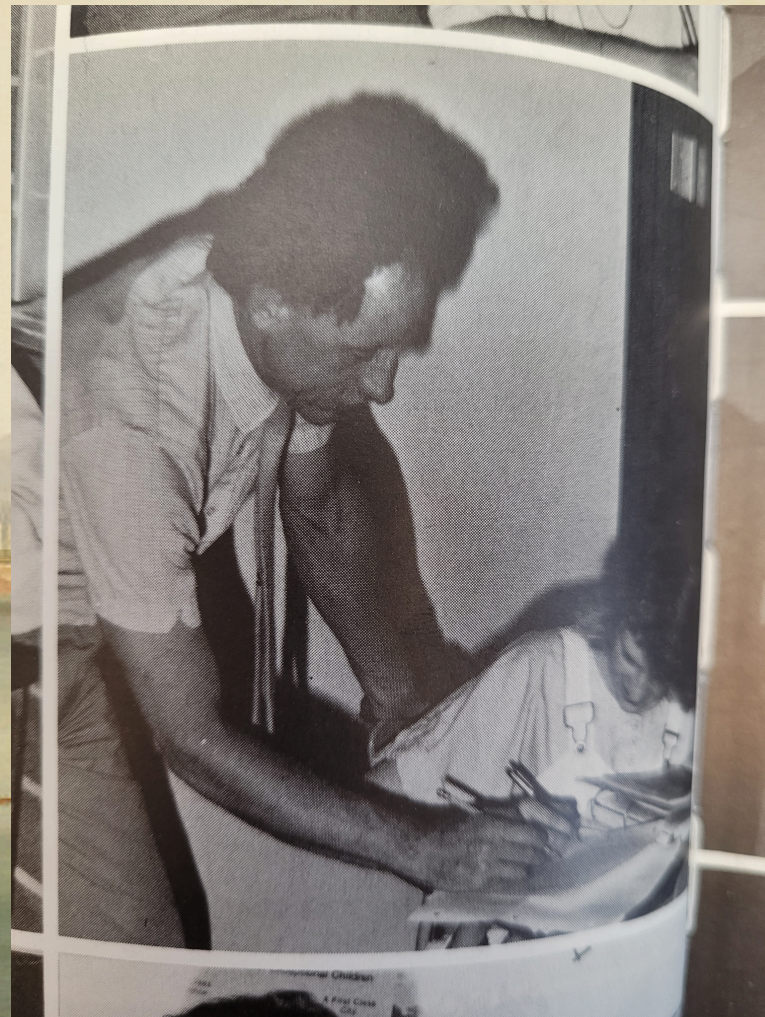

- Bastion Elementary in Salmon Arm
- Also taught my twin uncles
- Strict but fun
- Great aim!
- I was encouraged to try my best
- He showed teaching in a calm and patient manner

Mr. Marr

GRADE 8 ENGLISH AND GRADE 10 MATH

- Grade 9 general math to academic grade 10 math
- Helped me greatly to understand how a teacher should be: Patient and caring

Mr. Townsend

GRADE 9 SOCIAL STUDIES

- Very strict but I loved him!
- He would demonstrate things from medieval England
- What I learned: A teacher that made me enjoy a subject that I almost failed the year before
- Parent/teacher interview

Sonja Hot

MATH INSTRUCTOR AT UCC

1998 - Calculus

- **Worst experience I have ever had**
- **Would not explain algebra steps that she skipped over**
- **Very unclear instruction**
- **Very uncaring and acted superior**
- **Everything a teacher shouldn't be!**

University:

My Kids & Husband

Added Family:

LIAM:

- Taught me patience
- Dx
- My experience with SD73and IEPs

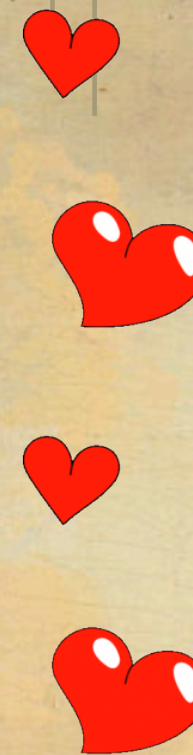

CAIDEN:

- Had experiences with a teacher that was a bully
- Taught me that I can persevere through anything

JASON:

- Puts up with my endless education pursuits
- Has stepped up big time in making meals
- Is my sounding board when I need it

All have taught me that teachers are important. They inspire, educate, care, and want their students to achieve

THE End
