

To Whom It May Concern,

I am pleased to recommend Tanya for a teaching position. During her time as a teacher candidate, she consistently demonstrated strong preparation and thoughtful planning. Her lessons were engaging and hands-on, designed to connect with students at their level and spark their curiosity.

Tanya listened carefully to feedback and deliberately used it to refine and improve her next lesson. She was friendly and collaborative with staff and regularly went above and beyond to build positive relationships with students. Tanya experimented with different classroom-management strategies and adjusted her approach thoughtfully to meet her students' needs.

Her passion for teaching is evident in everything she does. She connects well with learners, shows genuine care for their progress, and brings energy and creativity to the classroom. I believe Tanya would make an excellent teacher and would be a valuable addition to any school community.

Please do not hesitate to contact me if you require additional information.

Sincerely,

Amy Fehst
